

Portrait Pricing

Portrait photography is the heart of what I do. My favorite thing about these sessions (aside from delivering **beautiful images** to you!) is making every client's experience **fun** and **fuss-free** from start to finish. Whether you are coming to me for **headshots**, a **family session**, or **newborn pictures**, your photos will feel **professional**, yet unpretentious.

You'll be eager to share and display every image!

Session Pricing

Portrait Sessions \$250	Extended Portrait Sessions \$300
60 minutes of shooting at the location of your choice Online gallery of 25 edited high-resolution images Print release	90 minutes of shooting at the location of your choice Online gallery of 50 edited high-resolution images Print release
*Rate applies to family, milestone, and headshot/branding sessions	*Recommended for large families (8+ people), newborns, and senior sessions

Prints and Albums

I proudly offer **heirloom-quality prints** and **albums** available for purchase anytime after your session. All products are printed on **professional grade, archival quality photo paper** and finished with a **lustre coating** to protect from aging and fingerprints.
